Step 1: VISIT TYPE: Type of visit - Section Name, *Service by VA Resident

If the Veteran is here for a Service Connection Reason then check off “Yes,”
If they are not here for a Service Connection Related disability then it is appropriate to check off “No”

**Please make certain you assign Attending as the “Primary” Provider to your encounter**
Step 2: **Diagnoses:** Choose appropriate Diagnoses from Diagnoses section or the Problem List. If you do not see appropriate diagnosis you can search for the diagnosis under “Other Diagnosis”
Step 3: **Procedure**: Please select procedure/or search for appropriate intervention using “Other Procedures”
